FET BIASING

1.what is JFET ?

2.Difference between bjt and jfet ?

3.why we choose jfet ?

4.what is pinch of voltage ?

5.write down Shokley equation ?

6.draw the transfer characteridtics ?

7.Write dawn the construction of n-channel EMOSFET ?

8.Describe the construction of EMOSFET ?

9.Example--6.1,6.2,6.4*(chapter—6)

10.Example--7.1,7.2,7.4(chapter—7)

11.Symbol all fet .

12.Draw transfer curve all types of FET .

13.Exercise—12,15,31,36 (chapter—6)

14.Depletion type MOSFET.
